Composition changes for MDAX, SDAX and TecDAX, effective as of December 23rd, 2019

Dear Sir and Madam,

STOXX Ltd., the operator of Deutsche Börse Group's index business and a global provider of innovative and tradable index concepts, today announced the new composition of DAX index family following the regular review.

The shares of TeamViewer AG as well as the shares of VARTA AG will be included in the MDAX index and will replace the shares of 1+1 Drillisch AG and Fielmann AG which will be included in SDAX.

Furthermore, comdirect bank AG will join the SDAX index. Steinhoff International Holdings N.V. and BayWa AG will leave the SDAX index.

New additions to TecDAX will be TeamViewer AG and VARTA AG. They will replace Drägerwerk AG & Co. KGaA and ISRA VISION AG.

The constituents of the DAX index remain unchanged.

All component changes will be effective at the start of trading on December 23rd, 2019
