## Suspension of Dissemination - DAXglobal Russia and DAXglobal Russia+ Indices

Dear Sir and Madam,

STOXX Ltd., the operator of Qontigo's index business and a global provider of innovative and tradable index concepts, announces the suspension of dissemination of the DAXglobal Russia and DAXglobal Russia+ Indices as of March 18<sup>th</sup>, 2022, close of business.

The indices are suspended pursuant to:

- the application of section 4.8.1 of the Guide to the DAXglobal Indices related to treatment of constituents suspended to trading on the eligible exchanges
- the absence of sufficient eligible securities fulfilling index selection criteria, which would not be suspended from trading on the eligible exchanges at the time of this announcement.

The indices listed in the table hereafter will remain suspended until further notice.
