Über Deutsche Börse – Market Data + Services

Die Deutsche Börse ist einer der weltweit führenden Dienstleistungsanbieter für die Wertpapierbranche mit Produkten und Services für Emittenten, Anleger, Intermediäre und Datenvendoren. Das Angebot der Gruppe umfasst die gesamte Wertschöpfungskette, vom Handel über Clearing bis hin zu Abwicklung und Verwahrung von Wertpapieren. Der Geschäftsbereich Market Data + Services ist Teil des Bereichs IT & Operations, Data & New Asset Classes der Deutschen Börse und beinhaltet das breit gefächerte Marktdatenangebot der Gruppe wie auch externe Technologie und Netzwerk-Services. Zu den Produkten und Dienstleistungen gehören Echtzeit- und historische Handelsdaten der gruppeneigenen Handelsplätze Eurex und Xetra sowie von Kooperationspartnern. Des Weiteren werden Referenzdaten für mehr als 1.000.000 Wertpapiere sowie über 11.000 Indizes, inklusive der STOXX und DAX Index Familien, exzellente Handelsinfrastruktur und zuverlässige Netzwerk-Services vermarktet.
